

Sponsorship Request for NDNC2025

3 December 2024

To whom it may concern:

We are pleased to inform you that the 18th edition of NDNC is planned to be held in Beppu from 11-15 May 2025. Last year, NDNC was held in Sydney and attracted more than 250 participants, making it one of the major international conferences on carbon-based materials. The historical details and purpose of NDNC can be found in Appendix A.

As the chair of NDNC2025, I kindly invite you to consider sponsoring NDNC2025. Sponsors will have the opportunity to advertise in the conference program booklet, in exhibition booths at the conference venue, and on the official NDNC2025 website.

Basic sponsor plans

All plans include: (1) logo branding on the official NDNC2025 website and (2) free NDNC2025 registration for one person.

Gold: JPY 250,000

Two facing pages or one page on the inside of the program booklet cover (front or back).

Silver: JPY 180,000

One page in the program booklet.

Bronze: JPY 120,000

Half a page in the program booklet.

* The conference program booklet will be in the A4 format and is printed in color.

Optional Exhibition Booth

There is an additional cost of JPY 50,000 per exhibition booth for Gold, Silver, and Bronze sponsors that wish to have one or more. For example, a Gold sponsor with one exhibition booth would pay:

JPY 200,000 + JPY 50,000 = JPY 250,000.

For more details on the exhibition booth size, please refer to Appendix B.

To apply, please fill out and email the application form (Appendix C) to ndnc2025@pco-prime.com.

Cancellation Policy

Cancellations must be submitted in writing via email (ndnc2025@pco-prime.com) and are valid only upon acknowledgement of receipt by the secretariat.

Until 1 April 2025	100% refund excluding handling fee.
After 1 April 2025	No refund

We are looking forward to hearing from you.

Best regards,

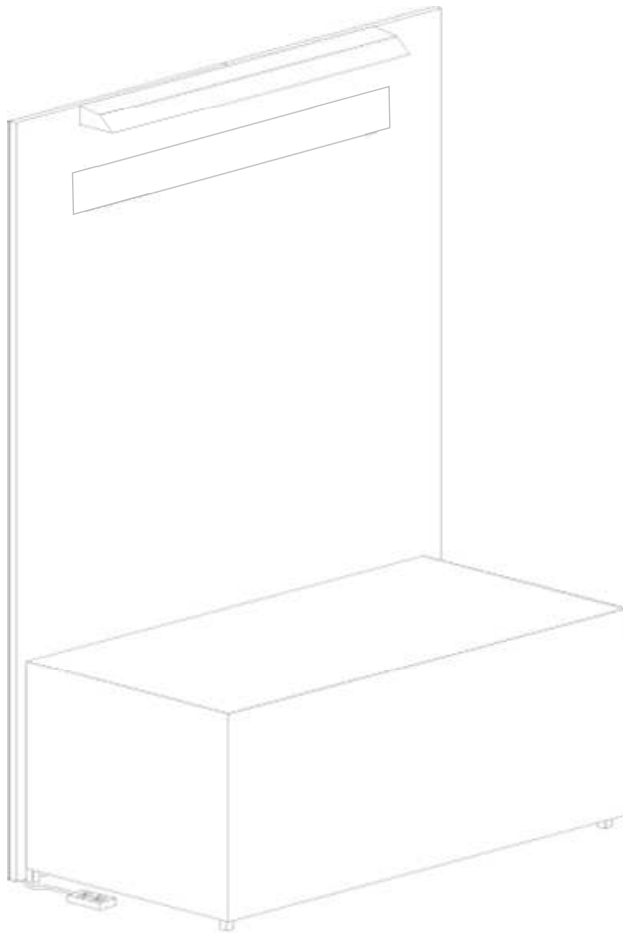

Satoshi Koizumi
Chair, NDNC2025 committee

NDNC was previously organized as the International Conference for New Diamond Science and Technology (ICNDST) and Applied Diamond Conference (ADC) and merged in 2007 as NDNC. With more than 30 years of its history, having been held in the areas of Asia, USA, and Oceania, this conference has been considered as one of the major international conferences on the carbon-based materials.

The following chart shows the history of NDNC.

	ICNDST	ADC
1988	1. Tokyo, Japan	
1990	2. Washington DC, USA	
1991		1. Auburn, Alabama, USA
1992	3. Heidelberg, Germany (Joint)	
1993		2. Omiya, Japan
1994	4. Kobe, Japan	
1995		3. Gaithersburg, Maryland, USA
1996	5. Tours, France (Joint)	
1997		4. Edinburgh, Scotland, UK (Joint)
1998	6. Pretoria, South Africa	
1999		5. Tsukuba, Japan
2000	7. Hong Kong, China	
2001		6. Auburn, Alabama, USA
2002	8. Melbourne, Australia	
2003		7. Tsukuba, Japan
2004	9. Tokyo, Japan	
2005	10. Tsukuba, Japan	8. Argonne, Illinois, USA
2006	Joint Conference, Triangle Park, North Carolina, USA	
NDNC (after the merger of ICNDST and ADC)		
2007	1. Osaka, Japan	
2008	2. Taipei, Taiwan	
2009	3. Traverse City, Michigan, USA	
2010	4. Suzhou, China	
2011	5. Matsue, Japan	
2012	6. San Juan, USA	
2013	7. Singapore	
2014	8. Chicago, USA	
2015	9. Shizuoka, Japan	
2016	10. Xi'an, China	
2017	11. Cairns, Australia	
2018	12. Arizona, USA	
2019	13. Hualien, Taiwan	
2021	14. Virtual Conference (NDNC2020/2021)	
2022	15. Kanazawa, Japan	
2023	16. Michigan, USA	
2024	17. Sydney, Australia	
2025	18. Beppu, Japan (Scheduled)	

Exhibition Booth

An Exhibition Booth Includes:

- A Fluorescent light.
- A Back Panel (W1800 X H2100).
- A Display Table (W1800 x D900 x H750).
