

Guidelines for Poster Presentations

1. Presentation Style

Poster presenters are expected to stay with their posters during the allocated Presentation Time to enable networking and scientific discussions.

2. Mounting/Removal

Posters should be mounted at the assigned time and on the poster panel with the ID of your poster. All posters will be displayed and presented in the Convention Hall. The layout of poster panels can be found in the schematic on the next page.

Note that poster presenters are responsible for removing their posters by the assigned time.

Mounting	16:00-17:00, 11 May (TBD) 10:30-14:00, 12 May
Removal	by 16:00, 15 May.

A posters ID contains a letter that corresponds with a Category:

Poster ID letter	Category
A	Growth and Doping
B	Electronic Devices
C	Characterization
D	Mechanical Properties
E	Electrochemistry and Bio applications
F	Color Centers and Quantum applications

* Example: Poster 9 in Category D has ID “D09”.

3. Presentation Time

All poster presenters are expected to present on 12 and 13 May.

Poster ID	Poster Session 1 (12 May)	Poster Session 2 (13 May)
Odd-Numbered	15:50-16:50	15:00-16:00
Even-Numbered	16:50-17:50	14:00-15:00

* Please check the conference website for potential updates.

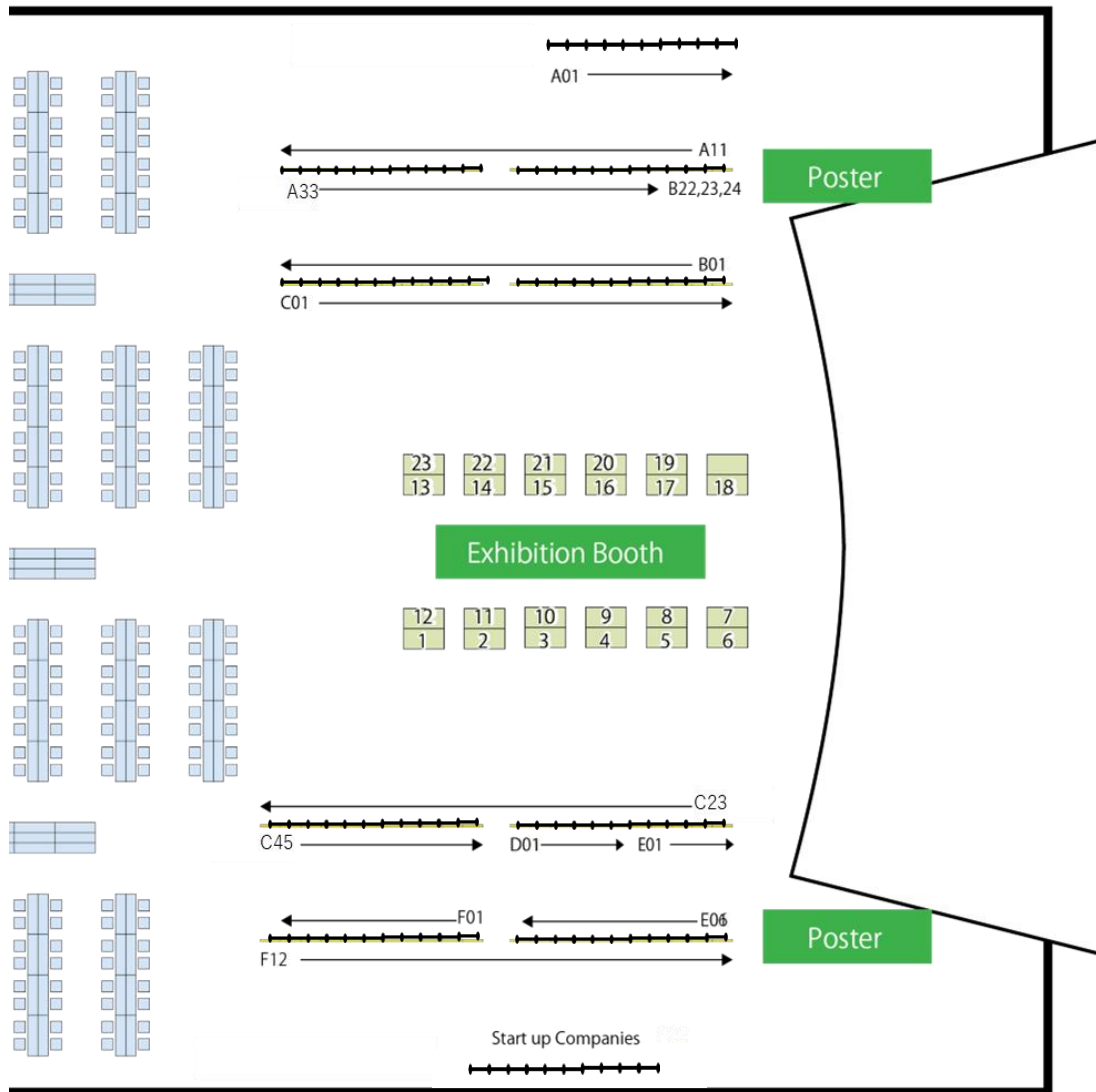

4. Preparation

- Secretariat will provide push pins or tape to mount posters.
- Poster size: H190 cm × W90 cm maximum (recommended size: A0 format – portrait)
- Copyrights and Image Rights are protected.

<Layout>

* The layout is subject to change.

Please refer to the poster number sign at the venue for the latest information.
